POSTPONEMENT POLICY

A student may take a test after its scheduled release date, but not before it. The model answer is released immediately after the student's one-time PDF submission. The scheduled live discussion and its recording remain available even when a student postpones the test.

HOW THE TEST SERIES WORKS

- Download the test PDF from the paid group or web portal after its scheduled release.
- Print the answer booklet, or write your answers on blank A4 sheets.
- Scan your complete answer script and upload it as a single PDF. Try to submit it within seven days.
The final deadline for all submissions is 10 November 2026.
- Receive the model answer immediately after submitting your answer script.

- Receive your evaluated answer script by Day 4. The submission date will be counted as Day 0.
- Attend the scheduled live discussion on Google Meet. A recording will also be provided.

Support and use of evaluated answers

- Chat, doubt-solving, and scheduled call support remain available until the commencement of the IFoS Main Examination. Calls are arranged subject to mentor availability.
- Selected high-quality answer content may be shared for learning without student names. A model 'best answer' may combine anonymised portions from three or four evaluated scripts.
